Dear Friend,

It is an honor for me to send you this American Red Cross Supporter Card.

I urge you to place it in your wallet as a reminder of the vital role generous neighbors like you play in enabling the American Red Cross Silicon Valley Chapter to respond to disasters like earthquakes, power outages, floods, home fires and other emergencies.

People impacted by disasters need your help to overcome tragedy. Your contribution will bring much-needed support to communities in times of crisis. Just \$17.50 can provide a hot meal, warm blanket and a comfort kit containing necessities to a neighbor in need in areas like Sunnyvale, down the street and across the country.

Will you please give to Disaster Relief today? **Approximately every 8 minutes, the Red Cross responds to a home fire or other disaster.** Your generous support will help communities prepare for, respond to and recover from disasters whenever and wherever they happen.

Thank you!

Trevor Rigger, Regional Chief Executive Officer

P.S. Please send your tax-deductible gift by October 5th to help people impacted by disasters big and small.  
If you've already sent your gift, many thanks.

## Here's how your gift empowers others to perform extraordinary acts.

**The American Red Cross is led by volunteers**—ordinary women and men who care deeply about giving back to their communities. In fact, nearly 314,000 people volunteer their time to perform extraordinary acts of service to help their neighbors during times of personal or community emergencies.

**Contributions from donors like you** make the efforts of these selfless volunteers and our humanitarian work possible. Last year, the American Red Cross Silicon Valley Chapter assisted 478 families.

**We make the most of your contributions.**

An average of 91 cents of every dollar the American Red Cross spends is invested in humanitarian services and programs.

**Please help us continue to be here for you and your neighbors in times of need. Send your most generous gift to the American Red Cross today. Thank you.**
